

**STORYHILL** is a billboard-charting, modern folk duo from Bozeman, Montana that brings brotherly harmonies, infectious melodies and smart story songs together in one perfect package. Their beautiful music and passionate performances have won them much critical acclaim and devoted fans (“Hill Heads”) all over the country. Celebrating over 30 years of playing together, members **Chris Cunningham** and **John Hermanson** breathe and play as one unit, showing why *Billboard* and the *Austin Chronicle* have likened them to the great songwriting duos of our time--Simon & Garfunkel, the Indigo Girls, The Everly Brothers and The Jayhawks’ Gary Louris & Mark Olson. They have charted on *Billboard* and have been favorites on national radio shows like *Mountain Stage* and *A Prairie Home Companion*. Not slowing down any time soon, Storyhill continues to produce their annual **Storyhill Fest** and has released two new albums within a year – *Where to Begin* and their holiday album *Bethlehem*. They are currently working on a new album.
